Topic Summary

1. This website serves as a personal blog/portfolio for family and friends. It contains information on my life experiences, personal information about me, and a brief introduction in the opening homepage.

Topic Purpose

2. While I did initially plan to use the website for professional purposes oh, I've now turn the website into more of a personal blog. I'll recommend friends and family to this website if they ever want to know what is going on in my life. I think of it more as a way for my parents and long-distance friends to stay informed in my college life.

Plug-Ins

3. Javascript plugin: Scroll-Entrance.js (https://andycaygill.github.io/scroll-entrance/)
4. iFrame youtube video
